Dear Parents/Carers

### **Re: Life Ready Part 1 Workshop**

On Monday 15 March 2021, Year 11 students at Willyama High School will be participating in the Life Ready Part 1 Workshop. This session will be followed up by Life Ready Part 2 later in the year.

The workshop will be conducted across several sessions on the day at no cost to students. Year 11 will be divided into three groups and rotate through the activities. The sessions are run and delivered by community agencies and will be delivering important information about student health and wellbeing.

Students will be required to attend school as per normal for the day as this is a **compulsory course to gain admission to the HSC.**

All staff involved in the program have undergone specialist training, as some of the issues may be confronting a school counsellor will be available on the day.

If you do not wish for your son/daughter to participate in the workshop, please contact me during school hours on 8088 1055 so alternate arrangements can be made.

Yours faithfully
