National Schools Competitions – 2022

Dear Parent / Caregiver,

Willyama High School invites your child to compete in a number of external competitions held throughout the year. To participate is a stimulating and rewarding experience. The competitions provide a rare opportunity for country students to compete against their city peers on a national basis. Students will all receive certificates for their participation, as well as merit awards for outstanding performance; these are valuable components of a student's résumé.

The subsidised entry fee for all competitions is listed overleaf. Each competition will cost only \$4.00 to enter which represents a significant subsidy, given regular competition prices range from \$6.00 - \$18.70. This is being heavily subsidised by the school to encourage student participation and make it more affordable for students to enter multiple competitions if they wish. Students should pay their entry fees by **Monday 21st February** and indicate the competitions they wish to enter on this form, and return to the front office. Please contact the undersigned if you have any queries or concerns about their subject competitions.

Involvement in these competitions provides great educational opportunities for your child. Please encourage their participation, particularly if they have a talent in one or more of the competition areas.

Yours faithfully,

Miss R Hall

Faculty leader – Science

Mrs M Millstead

Faculty Leader – Mathematics

Mrs C Rintoul

Faculty Leader – English

Mr J Harvey

Faculty Leader - TAAS

Mrs K Nyman

Faculty Leader – HSIE

Mr G Shepherd

Principal
